

C-N STALLION SERVICE AUCTION

2020/2021 BIDDING Starts:

October 15, 2020

Auction Ends

December 12, 2020 at 6pm with grace rule implemented.

Many of the stallions listed on this website, you will find, have been proven in many Industries as well as many talented young up and comers. You will find Arena Record holders, NFR Qualifiers, NFR producers, Steller Rope Horses, Race Horses, Cutting & Reining Champions. An awesome variety for any breeder who is shopping for a quality stallion.

THANK YOU TO ALL THE STALLION OWNERS FOR YOUR DONATION!

It is because of you, this futurity has become the largest California has ever seen!

90% of the money raised from this auction will go to the C-N California Futurity, Derby, and Incentives held February 27-28, 2021, at the World Ag Center in Tulare. CA. Excellent Ground. Perfect for the young horse. Last year paid out more than \$96,000 in Cash and Prizes in just 2 days. We also had over \$34,000 in incentives.

Newly implemented in 2019, 10% of the Auction money raised will go into an insurance account. A running total will be kept on the website page for all to view. This money will be to protect Stallion owner AND our Bidders. A claim can be submitted for a refund of your auction. It will be up to the C-N Board to decide if a refund from the auction will be granted. Such refunds will be for death of stallion without exchange.

An insurance claim cannot be used if mare simply does not take or death of mare. This is only if stallion is unable to complete his obligation due to death or semen count. Or if stallion owner does not fulfill contract obligations. This insurance is to protect the Bidder as well as the stallion owner.

All insurance claims must be submitted by June 1 of the first breeding season of your auction. Once claims are closed the remaining money, if not all, will be added to the next years incentive program and futurity. Or donated to another futurity as a C-N Incentive side pot payout. Distribution will depend on the amount that is remaining as of June 1.

Bidding Rules:

Each Stallion Bid will start at \$200. First Bid must be a minimum of \$225 to start the bidding process on a stallion.

How do you bid:

A 4% charge will be added if your credit card is charged at the end of the auction. You are able to make other payment arrangements once the auction is over. You will have 2 weeks to submit payment or make arrangements or your credit card will be charged.

Bids must be in minimum \$25.00 increments.

You may call or text your bid to 559-469-7406 or 559-303-6127, Or email cbarnfutura@gmail.com or yz125rider103@aol.com (be sure and receive a confirmation for your bid when texting and emailing) You must include your NAME, The STALLION you wish to bid on, Your BID AMOUNT, and CONTACT INFORMATION. Any bid placed lacking this information will not be accepted.

On the last day of the auction you ***MUST CALL OR TEXT IN YOUR BID ONLY***. Voice messages will ***NOT*** be accepted. You MUST speak to a live person or receive confirmation of your text bid. Several phone numbers and operators will be available on the website (www.cbarnquarterhorses.com) on the last day of the auction.

How the Max Bid works:

If a Stallion's high bid is at \$400 (with no max bid set) and you wish to place a bid not to exceed \$600 you may give a max bid of \$600. Your current bid will be \$425 to take the current high bid. Each time an individual bids on the stallion your bid will automatically be bumped \$25.00 until you hit your max bid of \$600. At which time you will need to call in a new bid if you wish to continue. For Example:

Current High Bid \$400 (with no max bid)

Jane Doe bids \$425 with a max bid of \$600.

Billy Joe bids \$450

Jane Doe's bid will automatically bump to \$475, she will continue as the high bidder

Billy Joe will have to call in another bid to continue.

If Billy Joe requests to bid \$600, he will be contacted that a max bid of that same amount has already been placed and Jane Doe will keep the High bid. Billy Joe will then have to call back to place a new bid if he wishes to proceed.

On The Last Day of Bidding:

VERY IMPORTANT TO ALL ACTIVE BIDDERS

Auction will close at 6pm PST on Scheduled Date

HOWEVER:

"BIDDING" will continue until 5 consecutive minutes have gone by

WITHOUT any bids on ANY stallion.

For Example:

If a bid comes in at 5:58pm

BIDDING WILL SCHEDULE TO CLOSE AT 6:03pm

“IF” no other bids come in

“IF” a bid comes in at or before 6:02pm (or any time before the 6:03pm cut off), the bidding will remain open an additional 5 minutes (closing at 6:08pm) and so on until 5 consecutive minutes of ZERO bids have been called in

This means the auction could actually end as early as 9pm or later.

So keep an eye on your stallion if you don't want to miss out.

The last minutes of the auction it is CRUCIAL to hit “REFRESH” on your computer OFTEN so not to miss out on a bid.

ALL BIDDERS will be kept confidential until the end of the auction...

Breeding Arrangements with Stallion!

PLEASE make arrangements with the stallion owner in a **TIMELY MANNER**. Do NOT wait until your mare is due to breed. Stallion Owners need sufficient notice to prepare the collection of their stallion. This means once you receive your Stallion Auction Breeders Certificate contact the stallion owner and give details on your breeding plans for 2021. This means no later than February 1 if possible. You will keep one copy of the certificate for yourself and give the 2nd copy to the stallion owner when requested or at the time of breeding.

ALL WINNERS and bidders will be posted no later than November 20, 2019 on the website.

This auction covers breeding fee ONLY!

Any mare care or vet requirements such as AI, shipment, chute Fee, must be discussed with the stallion owner and/or veterinarian. There is a stipulations sheet on the website that will show fees to some of the stallions. If the stipulations for a stallion are blank, please contact the owner for any added fees or breeding requirements.

WHEN CONTACTING THE STALLION OWNER, I ASK THAT YOU BE KIND AND RESPECTFUL OF THEIR BREEDING PROGRAM. THIS AUCTION IS BECAUSE OF THEM. IT IS TO HELP THE CALIFORNIA FUTURITY GROW, AND IT IS SAVING YOU MONEY ON YOUR NEXT BREEDING TO AN INCREDIBLE STALLION. WE ASK THAT YOU RESPECT THESE RULES AND APPRECIATE WHAT WE ARE BEING OFFERED. THIS IS A GREAT OPPORTUNITY FOR EVERYONE.

If you have any questions, feel free to contact me.

Have FUN and Best of luck Bidding!!!
