We are heading into our 8th Annual C-N Stallion Service Auction and California Futurity. With each year we have learned to grow and expand to accommodate so many different avenues. 2010 marks the year of our first ever Stallion Service Auction where 8 local stallions were donated raising \$4,800 for the futurity. By 2015/2016, we raised the bar to \$41,200 and welcomed in 72 stallions across the United States, Australia, and Canada. A Stallion Incentive Program for eligible stallions and futurity horses was been implemented in 2014/2015. In 2015/2016 we paid out over \$14,800 in incentive cash to stallion owners as well as the colt owners. With your help, we are hoping that in the years to come we will be able to exceed these numbers and bigger and better for everyone.

We would like to invite you to come aboard and donate a breeding or Buy In to the C-N Stallion Service Auction. In return for your generous donation, the C-N Stallion Incentive Program can offer several things:

1. Commitment :

With a 3 years commitment to donating a breeding to the C-N Stallion Service Auction your stallion and his offspring are immediately eligible for the Stallion Incentive Program. (Please read rules on website for details www.cbarnquarterhorses.com).

2. Advertisement:

- a) Daily random Facebook blasts and links of the stallions on the C-N California Futurity Facebook page
- b) Stallion Service Auction Facebook share contests. Gifts are donated by C-N Quarter Horses (last year we reached over 14,000 barrel racers from a single contest post)
- c) A link from the C-N California Futurity website directly to your website and Facebook page.
- d) A Picture of your stallion will be posted on the www.cbarnquarterhorses.com website along with his pedigree from www.allbreedpedigree.com or your personal link
- e) Your banner will have a spot in the arena during the warm up race and the entire Futurity weekend (provided by stallion owner)
- f) Stallion will be listed in the C-N California Futurity Program
- g) Stallion and Ranch name will be announced throughout the weekend during the Futurity race
- h) If provided a High Definition Flyer or photo your stallion(s) will be added to the Nation Webcast put together by JF Videos.

3. 100% of ALL money raised through the entire Futurity Program will go back to the Futurity race and Incentive Program in December 2018 and each year as donated.

4. All stallion bids start with a \$200 bid; If your stallion does not get a bid, you, the stallion owner, will be responsible for the minimum bid of \$200.
5. The stallion owner is allowed to set stipulations on the stallion donated. You may disclose your added fees such as Chute Fee, Shipping Fee, Mare Care, ect, as well as your breeding preference such as AI or Live Cover. You can put anything you wish the bidder to know in this section. We try to allow no funds to come out of your pocket if you so choose.
6. C-N California Futurity is open to hear new ideas we may possibly be able to implement to help you the Stallion owner as well as expanding to make this Futurity the best it can be.
7. C-N California Futurity will provide a Breeders Certificate to the winner of your stallion with all of your contact information. It states in part, breeding is not transferable, may not be sold, or traded without the stallion owner's approval.
8. After 5 years of consecutive donating your stallion MAY become eligible for our Grandfather option if your stallion retired from breeding for one of the following reasons. Can no longer ship semen due to semen count. Medically retired. Does not breed to the public for any reason. Death. If said stallion becomes medically unable to breed, or death, him and his offspring are still eligible to remain in the Stallion Incentive Program for a discounted price of 50% of current year stud fee
9. We encourage all stallion owners to provide a banner for your stallion which will be put up every year your stallion is in the Program. Average cost for a banner is approx. \$80. It looks very nice and will be visible to the Webcast Camera during the futurity weekend.
10. If a stallion owner does not wish to continue the program and you have purchased a breeding within the years that stallion was eligible you are able to buy your foal in for \$250. Stallion fees will be donated to the Derby Incentive for that year.

Thank you for taking the time to read about the C-N Stallion Service Auction and Incentive Program. I hope that we can work together to get your stallion in this wonderful growing program. Our goal is to continue to have a quality, respectable futurity in California and in the process, help advertise your stallion and his offspring throughout the country. I would be happy to answer any questions you might have. Please contact me at your earliest convenience so that we can get your stallion started in this fast growing program. This year's Stallion Service Auction will start on October 15, 2017 and end on November 18, 2017. Advertising goes year round.
